

FEAT-SETX

"Families for Effective Autism Treatment of Southeast Texas"

The first FEAT-SETX-Southeast Texas meeting was held on Tuesday February 26th at the Shorkey Center and was a great success. There was a very good turnout and I'm happy to say we are now off and ready to go. It was wonderful to see how excited you were to have this happening in our area. I feel that everyone understood the direction we are going in with FEAT-SETX and that it's our organization to help give us what we need. As a group, we have so many fantastic ideas as well as the same goals to have more autism awareness, ABA "Applied Behavioral Analysis" workshops/resources and support in our area.

Now we are going to make it happen. We will be getting together soon to discuss our future meetings including topics/speakers, workshops and conferences for FEAT-SETX. I will send you more information in the weeks to come. Remember, if you would like to be on the Board of Directors please complete the application or I can e-mail you a copy. If you have any questions about the Board of Directors or the Advisory Board of Professionals just send me an e-mail at mistynwhite@yahoo.com Thank You, and I can wait to see you soon.
